SUPPORT BOATS - LIPTON CUP REGATTA 2023

It is preferred that support boats are launched from the nearby Warmies launch ramp. However, if required, crane launching is available provided certified lifting gear is utilised.

Boats may be berthed at RYCV on Saturday night with fuel available by arrangement with the Regatta office.

Support boat trailers may be stored at the BAE car park with the carpark being secured on Saturday evening.

Please notify the office at rycv@rycv.asn.au if you are bringing a support boat.
